## REPORT OF SCHOOL BOARD.

---

The past year has indeed been a pleasant and prosperous one in our schools, complaints have been few and far between but a quiet steady improvement has been evident in every room.

The Pine Grove school was taught the first two terms of the year by Mrs. Emma Howe of this town, a teacher of ability and large experience. Her services were desired the rest of the year but she declined serving longer. Excellent progress was made. The winter term was taught by Miss Mary Drew, a graduate of Brewster Academy, Wolfboro, Miss Drew's methods were thorough and excellent.

Cherry Mountain school was taught the entire year by Miss Mary B. Maguire of West Milan and we have never seen that school make such marked improvement as under her instruction. She had the faculty of keeping her pupils eager and interested, her little mountain school-room was

remarkably cheery with bright colored pictures and decorations. Miss Maguire has been engaged to teach in town next year.

The "Middle District" school was taught first term by Miss Florence E. Cheney of Littleton who was very ambitious for her pupils, and the remainder of the year by Miss Ida Hilton of Bridgton, Me., and a graduate of that well-known school. She gave excellent satisfaction and we are glad to state that she returns for next year. The Roll of Honor of this school was the largest of any in town.

The Twin Mountain Grammar school was taught first term by Miss Jennie O'Connell of Lancaster, who had been a very successful teacher in this town for several years. The remainder of the year, the room was in charge of Mrs. Mary G Burns, a graduate of Littleton High School. Although this was her first experience in the work, she proved to be a faithful hard-working teacher and good work resulted.

The Twin Primary room was in charge of Mrs. Florence A. McNally for the entire year, as indeed it has been for four years past. Mrs. McNally is a very enthusiastic teacher and particularly adapted to her work. She has prepared class after class for admission to the upper room of which she will herself take charge next year.

The Fabian school was taught first term by Miss Mozrall of Littleton who finished her year at that time, and the other two terms by Miss Lila Libbey of Whitefield, the youngest teacher we have had in town, there was marked improvement in attendance and ranks at examination. For so youthful a teacher, the order and discipline were remarkably good.

Patriotic and temperance instructions were fully given, as by law and custom expected. The flag is duly honored in every school, Memorial Day exercises are looked forward to eagerly by the pupils and prepared by loyal hard-working teachers who have the hearty co-operation of every one

in town. Christmas was elaborately observed by nearly every school in town which was most gratifying to parents and pupils.

Those on the Roll of Perfect Attendance for one term are: Marguerite Quinn, Allen Quinn, Hattie Brill, Raymond Nelson, Gertrude Whalen, Marie O'Donnell, Ida Southam, Winnifred Burns, Helena Fahey, Marguerite O'Donnell, John McGee, Annie Fahey, Stella Houghton, Annie Whalen, Harry Houghton, Agnes King, Ellen McCann, Winnifred Southam, Clayton Straw, Aurelie Straw, Ardelle Wescomb, William Nichols, Agnes Monohan, Bertha Morgan, Myrtie Morgan, Lawrence Lindsey, Henry Fisher one-half day. For two terms Teresa Cote, Richard Fahey, Oscar Rines, Mamie Nichols, Earl Brill, Georgie Nichols, Lizzie Morgan, Mabel Miles. For the entire year Joseph O'Donnell, Jenetta Quinn.

Of course there are some things desired in our schools, that for the present we must do without: teaching of music is one, clocks in every room, more books of reference etc., but on the whole we think our schools are pretty well equipped, and there is a determination to make the coming year go ahead of all others in true thorough advancement.

Respectfully submitted
